ARTICLE III
GRIEVANCE PROCEDURE

A. DEFINITIONS

1. A "grievance" is a claim affecting a teacher, group of teachers, or the Association based upon the application, interpretation, or violation of this Agreement, policies, or administrative decisions.

Should the obligation to include the above procedure be reversed by court decision, said provision is null and void.

2. An "aggrieved person" is the person or persons or the Association instituting the claim.

3. A "party in interest" is the person or persons making the claim and any person including the Association or the Board, who might be required to take action, or against whom action might be taken in order to resolve the claim.

B. PURPOSE

1. The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to the problems which may, from time to time, arise concerning the welfare or terms and conditions of employment of

teachers. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

C. PROCEDURE

1. The number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process. The time limits specified may, however, be altered by mutual agreement.

2. In the event a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school year, and if left unresolved until the beginning of the following school year, could result in irreparable harm to a party in interest the time limits set forth herein shall be reduced, by mutual agreement, so that the grievance procedure may be exhausted prior to the end of the school year or as soon thereafter as is practicable.

3. Level #1

Within 10 school days a teacher with a grievance shall first discuss it with his principal or supervisor (CST/C & I) with the objective of resolving the matter informally. The teacher and/or Principal/Supervisor may or may not elect to have the Association building representative present, if mutually agreeable.

4. Level #2 - Principal/Supervisor

If the aggrieved person is not satisfied with the disposition of his grievance at Level #1, or if no decision has been rendered within five (5) school days after the informal meeting with the building principal or the supervisor, he may file the grievance in writing with the Association within five (5) school days after the decision at Level #1 or ten (10) school days after the grievance was presented, whichever is sooner. Within five (5) school days after receiving the written grievance, and if it has merit, the Association shall refer it to the principal or the supervisor.

5. Level #3 - Superintendent

If the aggrieved person is not satisfied with the disposition of his grievance at Level #2, or if no decision has been rendered within ten (10) school days after the grievance was delivered to the principal or supervisor, he may, within five (5) school days after a decision by the principal or supervisor or fifteen (15) school days after the grievance was delivered to the principal or supervisor, whichever is sooner, request in writing that the Association submit its grievance to the Superintendent. If the Association determines that the grievance is meritorious, subsequent to Level #2, it may submit the grievance in writing to the Superintendent within fifteen (15) school days after receipt of a request by the aggrieved person.

6. Level #4 - Board of Education

The Superintendent shall request a report on the grievance from the principal or supervisor and shall confer with the employee and principal or supervisor separately.

The Superintendent shall attempt to resolve the matter as quickly as possible but within a period not to exceed ten (10) school days. He shall communicate his decision in writing along with the supporting reasons to the employee, the principal or supervisor, and the Association.

If the grievance is not settled after reaching the Superintendent of Schools, the matter may be referred back to the Association for reconsideration. The Association shall make a determination as soon as possible, but within a period not to exceed ten (10) school days, notifying the employee in writing of that determination.

If the Association determines that the grievance has merit, it shall recommend to the Superintendent that the grievance be reviewed again, and shall submit its recommendation for consideration. The Superintendent shall make a determination within five (5) school days. If not satisfactorily resolved, the grievance is to be submitted to the Board of Education. The Board will meet with the employee and principal/supervisor and make a determination within ten (10) days, notifying in writing the employee, superintendent, principal, supervisor and Association of its decision.

7. Level #5

In the event a grievance has reached an impasse and cannot be resolved under Article III, either party may seek advisory arbitration without the other's consent.

When advisory arbitration is intended to be used in the remediation of a grievance, the following conditions must exist:

- a. The topics for arbitration will be limited only to the 'express terms of the written Agreement'.
- b. The arbitrator shall be limited to the issues submitted and shall consider nothing else. The arbitrator can neither add to nor subtract anything from the Agreement between the parties.
- c. Grievances that are related to Board policies and or administrative decisions and practices shall not be topics for recognition.

D. RIGHTS OF TEACHERS TO REPRESENTATION

1. It is understood that any aggrieved person may be represented at all stages of the grievance procedure by himself, or at his option by a representative selected or approved by the Association, also at Level #1, if mutually agreeable. When a teacher is not represented by the Association, the Association shall have the right to be present and to state its

views at all stages of the grievance procedure. However, the aggrieved person must be present at all times.

2. No reprisals of any kind shall be taken by the Board or by any member of the Administration against any party in interest, any representative, any member of the Association, or any other participants in the grievance procedure by reason of such participation.

E. MISCELLANEOUS

1. If, in the judgement of the Association, a grievance affecting a group or class of teachers has merit, the Association may submit such grievance in writing to the principal directly and the proceedings of such grievance shall be commenced at Level #2. The Association may process such a grievance through all levels of the grievance procedure even though the aggrieved person does not wish to do so.

2. Forms for filing grievance, serving notices, taking appeals, making reports and recommendations, and other necessary documents shall be prepared jointly by the Superintendent and the Association and given appropriate distribution so as to facilitate operation of the grievance procedure.

3. All meetings and hearings under this procedure shall not be conducted in public and shall include only such parties in interest and their designated or selected representatives, heretofore, referred to in this Article.

4. All documents, communications and records dealing with the processing of a grievance shall be filed in a separate grievance file, and shall not be kept in the personnel file of any of the participants.

5. Any employee who may have a grievance pending shall not have the right to refuse an Administrative directive or a Board policy on the grounds that he has instituted a grievance. The employee must continue under the direction of the Superintendent and Administrators regardless of the pending grievance until such grievance is properly resolved.
